Profile

Quality Assurance Engineer with over 4 years of experience in manual and automated testing, specializing in Behavior-Driven Development (BDD) and Test-Driven Development (TDD). Proficient in writing Gherkin feature files, defining step definitions, and leveraging Cucumber for test automation. Skilled in mobile testing with Appium, ensuring seamless user experiences across devices. Experienced with Cypress, Playwright, JavaScript, API testing, and CI/CD workflows. Known for strong attention to detail, clear communication, and effective collaboration in Agile teams. Fluent in English and Ukrainian, enabling smooth work in international environments.

Strengths

- Strong analytical and problem-solving mindset
- Clear communication and collaboration skills
- High attention to detail
- Ability to work under pressure and meet deadlines
- Fast learner and adaptable to change
- Commitment to delivering high-quality work

Skills & Tools

- Automation: Cypress, Playwright, Cucumber, Appium
- BDD Tools: Gherkin, Feature Files, Step Definitions
- Testing Types: Functional, Regression, Smoke, UAT, Mobile Testing
- API Testing: Postman, Swagger, CURL
- Test Management: Zephyr Scale, Qase.io
- Bug Tracking: Jira
- CI/CD: GitHub Actions
- Version Control: Git, GitHub
- Languages: JavaScript
- Databases: MySQL, Adminer
- Web: HTML, CSS, DevTools
- Config: JSON, YAML
- IDE: Visual Studio Code
- Collaboration: Slack, Microsoft Teams

Work Experience

11/2022 – 06/2025

Remote — Atlanta,
Georgia, United States

Quality Assurance Engineer Sportendo

- Conducted thorough testing of web and mobile applications using TestFlight and Appium, ensuring seamless user experiences across devices.
- Developed and executed automated test cases with Cypress and Cucumber, utilizing Gherkin feature files and step definitions to enhance testing efficiency and software quality.
- Tracked and reported defects using Jira, facilitating timely resolutions and improving product reliability.
- Collaborated with developers, product owners, and support teams in Agile environments, contributing to improved engagement rates and optimized user experiences.
- Participated in one-week sprint cycles, providing valuable input during daily stand-ups, sprint planning, and retrospectives to enhance testing processes.

Work Experience

03/2021 – 09/2022
Remote — Atlanta,
Georgia, United States

- Analyzed business and technical requirements to recommend product feature improvements, ensuring alignment with user needs.
- Increased API automation coverage by developing new test scripts and expanding existing frameworks, streamlining testing processes.

Quality Assurance Engineer Delekhomes

- Executed manual functional, regression, usability, and end-to-end tests, ensuring platform reliability and performance.
- Conducted cross-browser testing and mobile testing with Appium to verify UI/UX consistency across browsers and devices.
- Led API validation and exploratory testing using Postman and Swagger, ensuring backend stability and reducing potential issues.
- Verified SQL databases through Adminer, ensuring data consistency and integrity.
- Developed and maintained detailed test cases, test plans, and checklists using Gherkin syntax to enhance test coverage and accuracy.
- Created comprehensive defect reports to improve communication and transparency in issue resolution.
- Performed user acceptance testing (UAT), ensuring alignment with business goals and user expectations.
- Streamlined defect tracking and test case management in Jira and Zephyr Scale, improving issue resolution efficiency.

10/2018 – 02/2021

Sales Manager AutoParts

- Achieved record-breaking sales results, consistently exceeding monthly and annual targets.
- Built and maintained strong client relationships through exceptional communication and negotiation skills.
- Mentored new team members, sharing knowledge and strategies to enhance team performance.

Education

09/2015 – 01/2017

Cooking and Related Culinary Arts | Associate's degree Chernihiv Vocational and Technical Education Center No. 16

- Specialized in professional cooking techniques, refining culinary skills and knowledge.
- Developed expertise in food presentation and kitchen management.
- Gained hands-on experience in baking, pastry arts, and international cuisine.

09/2004 – 05/2015

High School Diploma Kozylivska General Education School

06/2022 – 11/2022

QA Automation Engineer | Course Codemify
